2 SOZ

wellMap

Optimize operations and improve decision making with a digital twin of the well.

drillView™ GHOST

Access offshore dashboards for common situational awareness from anywhere.

eTally™

Automate and digitalize pipe tallying, enabling automation of other drilling processes.

TURN PAGE FOR MORE

taskBoard

Organize teamwork and improve efficiency by knowing what's done and what needs to get started.

mudView™

Manage your mud systems with inventory control and plan for automated mud handling.

beAware™ ADVANTAGES

OEM AGNOSTIC

Implementation possible on any rig, irrespective of topside OEM.

EASY INSTALLATION

Process is designed to minimize or eliminate disruption of operations.

FULL OVERVIEW

Collects and displays all operational information from/to all actors.

INCREASED SAFETY

Solutions are designed to provide situational awareness to all parties.

beAware™ eTally™

DIGITAL PIPE TALLY
& LOGISTICS
DASHBOARDS

Welcome to the future!
Say goodbye to manual tallies
and inaccurate spreadsheets.

eTally™ automates and digitalizes pipe tallying and inventory management processes, enhancing data accuracy, accelerating decision-making, boosting operational efficiency and enabling automation of other drilling processes.

eTally™ ADVANTAGES

FULL CONTROL OF INVENTORY	REAL TIME RUNNING TALLY	MINIMIZED NON PRODUCTIVE TIME
<p>Easy to search, find and access overviews of your inventory.</p>	<p>Plan tasks, pickup and laydown and other activities.</p>	<p>Make better decisions in times of high-stress by leveraging built in tools.</p>
<ul style="list-style-type: none"> ✓ Inventory for well and drillstring components ✓ Exact items location, length, weight, torque, dimensions 	<ul style="list-style-type: none"> ✓ Running tally & logistics ✓ Bit and item depth correction ✓ Efficient planning of complex operations 	<ul style="list-style-type: none"> ✓ Digital Drillstring ✓ Digital Trip Sheet ✓ Digital Kill Sheet

This is a new level of control. Actual depths, volume, depth based tasks, inventory and the condition of each item eTally™ enables opportunities for safe and efficient operations, visualization, reporting and automation. It's useful to have the running tally as part of my operational screens.
